## Build Your Brand Through Exhibiting and Sponsoring at PowerUp: Chartwell's Outage Conference

PowerUp: Chartwell's Outage Conference is the first of its kind to bring together utility professionals in an environment where they can exclusively focus on high-priority issues such as ETRs, customer contact, emerging technologies, the evolving regulatory environment and more. For more than 15 years, PowerUp: Chartwell's Outage Conference has been recognized as a leading industry event for service providers to network, prospect and market their products and services to a qualified audience of decision makers.

### Utility professionals attend PowerUp: Chartwell's Outage Conference to:

- Learn effective customer outreach strategies for planned and unplanned outages
- Network with utility professionals responsible for outage communications
- Take away best practices from industry leaders
- Discover how to deliver the best service in a cost-effective manner
- Choose from sessions about information flow to the utility or to the customer

### Why service providers chose to sponsor and exhibit at PowerUp: Chartwell's Outage Conference:

***"Introduce us to new utilities, needs, and opportunities."***

***"The reputation and respect of Chartwell in the industry."***

***"Good networking, content, and fresh utilities."***
